

Imagine . . .
 life without breast cancer—
 where your mother, daughter,
 sister or friend doesn't have to
 worry if she will be the one-in-
 eight women diagnosed with the
 disease.

While we have made tremendous progress
 in the fight, people are still dying from
 breast cancer—and that's unacceptable.

At Susan G. Komen for the Cure®, we are
 working every minute of every day to save
 every life, and **we need your help.**

**By making a donation today, you
 can help save lives.**

About Susan G. Komen for the Cure®

Nancy G. Brinker promised her dying sister, Susan G. Komen, she would do everything in her power to end breast cancer forever. In 1982, that promise became Susan G. Komen for the Cure and launched the global breast cancer movement.

Today, Susan G. Komen for the Cure is the world's largest grassroots network of breast cancer survivors and activists fighting to save lives, empower people, ensure quality care for all and energize science to find the cures. Thanks to events like the Komen Race for the Cure®, we have invested more than \$1.3 billion to fulfill our promise, becoming the largest source of nonprofit funds dedicated to the fight against breast cancer in the world.
